

6 **Suggested Literary Works for Study**

In this section we offer a list of literary works that deal with violence against women in some way. In order to facilitate academic research on these texts, we have also provided references to studies on them.

In some cases we have also references provided are for the editions available at the time the guide is published. In the case of translations, it should be noted that the date of the English edition is given, not the date of the first edition in the original language. Literary works appear in bold type; the studies that comment on them are listed directly below the relevant work, in roman type.

Albinati, E. (2019). *The Catholic Church*. Transl. by A. Shugaar. London: Picador.

landoli, G. (2018) «L'eterno ritorno del 'vero uomo': *La scuola cattolica* di Edoardo Albinati come artefatto contenitivo del male». *Spunti e Ricerche*, 13, 64-83.
